

TEXAS HEALTH AND HUMAN SERVICES

When Treatment Contractors have a waiting list, they are required to prioritize admissions for certain populations. The Department has established the following “priority populations” for admissions to treatment in accordance with federal SAPT Block Grant regulations and state designation:

- i. Pregnant, injecting clients will be admitted immediately: Federal
- ii. Pregnant client will be admitted immediately: Federal
- iii. Injecting drug users will be admitted within 14 days: Federal
- iv. Clients at high risk for overdose will be admitted immediately: State
- v. DFPS-referred clients will be admitted within 72 hours State
- vi. All others.
